

Pig Dyke Molly

Dancers from the Fens in Glorious Black and White

MUSICIAN WANTED

Pig Dyke Molly meets weekly on a Monday evening in Peterborough and performs at events throughout the country and internationally, including the biggest festivals. Our brilliant young main musician is having to take a break because of career pressures. Our other musicians would be delighted if you were the person to join the musician team. We are looking for someone who is either already a confident player or has the potential to get there in few months. A variety of instruments might work – accordion, melodeon, sax, oboe, fiddle...if interested and your instrument isn't here, ask us! Our music is folk-inspired but not the usual tunes – and we are open to working with the right person to fit tunes to the dances rather than the other way round, if need be. We have enthusiastic audiences, and go to some great events...sadly we don't pay but some travel expenses are available for gigs.
